Net Metering

10
11
12 **AVAILABILITY**

13
14 This schedule is available only where a Customer receives a license from the Energy
15 Department for the operation of a renewable generating facility.

16
17 **APPLICATION**

18
19 This schedule is applicable to any residential Customer that owns or leases a licensed
20 Customer-operated renewable generating facility with a capacity of not more than
21 twenty-five (25) kilowatts. This schedule is not applicable to residential dwellings used
22 for business purposes, separately metered garages, workshops, barns or similarly
23 detached structures which may be associated with a primary residential dwelling but not
24 inhabited by humans for domestic purposes. This schedule is not applicable to licensed
25 boarding or rooming houses served by a single meter.

26
27 **CHARACTER OF SERVICE**

28
29 Service under this schedule shall be single-phase, 60 Hertz, alternating current at the
30 Energy Department's available standard residential voltage. At the option of the Energy
31 Department, three-phase service may be provided. All residential service required on the
32 premises by the customer will be supplied through one meter. Standby or resale service is
33 not permitted under this schedule.

34
35 **DEFINITIONS**

36 "Grandfathered Customer" means a Customer who meets the criteria set forth in Provo
37 City Code 12.03.080(5), which generally applies to Customers who had obtained or
38 applied for a license for a Customer-operated renewable generating facility as of October
39 4, 2016.

40
41 "Net Metering" means the Customer will be charged for energy supplied by Provo City
42 Power according to the applicable energy charge under the Monthly Rate portion of this
43 Schedule and will be credited for energy generated and transferred to Provo City Power
44 as specified in this Schedule.

|---|-------------------|

Credit for Residential Electricity Generation by a Grandfathered Customer: Equal to the Energy Charges listed above

SPECIAL CONDITIONS

The Customer shall be billed for the electricity supplied by Provo City Power during each billing period in accordance with this Schedule. The Customer shall be credited for the kilowatt-hours generated during the billing period in accordance with this Schedule. Except as provided herein, unused credit shall be carried forward to the successive billing period.

The Customer shall also be charged any applicable Customer fees or charges, including, but not limited to, those Customer fees and charges paid by other Provo City Power Customers in the Customer’s rate class. Credits described above shall not offset fees and charges, but shall only be used to offset rate charges for electric energy supplied to Customer by Provo City Power.

92
93 **ELECTRIC SERVICE SCHEDULE NO. 1.1** (Continued)
94

95 At the end of the billing cycle that includes February 28th of each calendar year, any
96 remaining unused kilowatt-hour credit accumulated during the previous year shall be
97 granted to Provo City Power, without any compensation to the Customer.

98
99 **MINIMUM CHARGE**

100
101 The minimum monthly charge shall be the Customer Charge listed above under the
102 Monthly Rate section.

103
104 **TAX ADJUSTMENTS**

105
106 The amount computed at the above Monthly Rate shall be subject to taxes, assessments
107 and surcharges imposed by Provo City or any governmental authority authorized to levy
108 said taxes, assessments or surcharges.

109
110 **TERMS AND CONDITIONS**

111
112 Service under this schedule will be in accordance with the Energy Department’s electric
113 service standards and policies and terms and conditions set forth by the Department’s
114 standard application requirements and Provo City Ordinances, including any future
115 additions or amendments.
