

**PROVO CITY ENERGY DEPARTMENT
ELECTRIC SERVICE SCHEDULE**

**RESIDENTIAL
NO. 1**

AVAILABILITY

This schedule is available at any point on the Energy Department electric system where facilities of adequate capacity and standard residential voltages are available.

APPLICATION

This schedule is applicable to electric service used exclusively for residential purposes for (1) individually metered single-family dwelling units, (2) individually metered dwelling units in duplexes, triplexes, apartments, and condominiums and (3) duplexes and triplexes that existed prior to 1990 and are served through a single electric meter. This schedule is not applicable to residential dwellings used for business purposes separately metered garages, workshops, barns or similarly detached structures which may be associated with a primary residential dwelling but not inhabited by humans for domestic purposes. This schedule is not applicable to licensed boarding or rooming houses served by a single meter.

CHARACTER OF SERVICE

Service under this schedule shall be single-phase, 60 Hertz, alternating current at the Energy Department’s available standard residential voltage. At the option of the Energy Department, three-phase service may be provided. All residential service required on the premises by the customer will be supplied through one meter. Standby or resale service is not permitted under this schedule.
