

**PROVO CITY ENERGY DEPARTMENT
ELECTRIC SERVICE SCHEDULE**

**RENEWCHOICE
SELECTGREEN WIND
NO. 22**

AVAILABILITY

This schedule is available at any point on the Energy Department electric system where facilities of adequate capacity and standard residential voltages are available.

APPLICATION

This schedule is applicable to all customers taking service under the City’s electric service schedules who elects to voluntarily participate.

MONTHLY RATE

The customer’s monthly utility bill will show the number of blocks multiplied by the rate as agreed to be purchased by the customer. The monthly bill amount is in addition to all other rates, charges, taxes, and fees contained within the applicable rate schedules.

One (1) 100kWh Block: \$1.50/per block

RENEWABLE ENERGY

In accordance with monthly subscription rate and quantities purchased by customers, renewable energy from wind, hydro and/or solar resources will be purchased by UMPA and certified with the applicable “renewable energy credits - RECs” for the delivery into the power grid as part of the UMPA power supply mix. Renewable Energy will be purchased, scheduled, billed, and managed by UMPA to meet the demands and interest of the program. UMPA will have sole discretion to purchase and/or build renewable resources to meet the requirements of the renewable program. The UMPA renewable program will be regulated and governed by the UMPA Board of Directors.

CONDITIONS

- Customer must be in good standing to enroll into the program.
- Customer may cancel the service or modify the number blocks at any time. However, the Customer will be responsible for renewable services and charges until the end of the billing cycle. The city will stop at the end of the next billing cycle or modify the billing of the blocks at the start of the next billing cycle.
- Customer may not be enrolled in any other specialized rates including but not limited to net-metering, budget billing, SharedSolar, or as otherwise determined by billing limitations.
